Experience

Arcgate / Research Analyst

March 2018 - June 2018, Udaipur

Developed menus for a U.S. based online food delivery company in a digital format for easier access and better convenience of the customers. Worked on a Salesforce project to discern and resolve customer queries and issues.

Chics Connect / Social Media Marketing Intern

August 2018 - September 2018, Udaipur

Designed informational and attractive posters along with well-researched write-ups and posted them regularly on social media platforms for Chics Connect app launch worldwide.

WE Organization / Cultural Facilitator

July 2016 - August 2018, Udaipur and Kumbhalgarh

Worked closely with volunteers and assisted them to learn about objectives and operations of the organization. Organised various recreational activities to build solidarity and develop understanding of the Indian culture among volunteers. Helped in overcoming communication barrier by teaching local languages to the volunteers.
